

PROFESSIONAL SUMMARY

Hi, I'm Ashish. I'm currently in my final year of B.Tech in Computer Science and Engineering. I have hands-on experience in full-stack web development using Node.js, Express, MongoDB, and React, along with strong skills in frontend technologies like HTML, CSS, Tailwind CSS, and JavaScript. I'm passionate about building practical, user-friendly applications that solve real-world problems. I'm a quick learner, highly motivated, and always eager to take on new challenges. I'm especially interested in internships with companies that focus on innovation and growth.
